Aaron,

I have uploaded the remaining samples from the pipeline, a report is attached.

It now appears that you have all required samples and parameters in the permanent database.

Please let me know if you have any questions.

Thank you,

Dana,

I added a couple of other sites, as well as the quarterly sample for 18-1-1. The February and march samples have already been submitted, but the mine number needs to be changed from 4 to 2. The site number remains 52.

Thanks,  
Aaron
